Skater's Code of Conduct

General Rules:

- Courtesy and good manners are expected of all skaters.
- Skaters using foul language, yelling, or “mouthing off” will be asked to leave the ice. Similarly, bullying and verbal abuse by any member of the club towards any member of the club will not be tolerated. Skaters engaging in this type of behaviour will be asked to leave the ice. Continued incidents may result in loss of skating privileges.

On-Ice Rules:

- Skaters are not to go on the ice until a coach is present and gives permission.
- Skaters should get up as quickly as possible after a fall to keep the path clear for other skaters.
- Do not interrupt a lesson or try to get the attention of a coach giving a lesson to a fellow skater.
- Gum chewing, eating or drinking will not be permitted while skating. Water bottles are permitted but must be to the side of the ice surface near penalty boxes or in the stands.
- All skaters must leave the ice immediately at the end of a session or when the Zamboni comes onto the ice.
- Jumps are to be performed at the ends of the rink
- Spins are to be performed at the centre of the rink
- Please make sure all rink doors are closed before the session starts.
- When your name is called for your music, identify yourself to the music operator and position yourself promptly for your solo. Do not wave off your solo without good reason.
- Attempt to identify each skater having their solo played and give them a clear run through their solo.
- Priority for right of way is as follows:
 - skater having music played
 - skater in a lesson
 - skater moving backwards

Please read this with your skater and sign this form and submit it with registration papers.

I have read and understood the Skater's Code of Conduct and agree to abide by it. I understand that failure to do so may result in disciplinary action by the club.

2011-2012 Music Playing Obligation

In order for STARSkaters to practise their solos and dances, people are needed to play music. The Glen Cairn Skating Club relies on volunteers to play music during STARSkate sessions. In an attempt to distribute the hours fairly, we have made some changes to this program this season.

The parents/guardians of ALL STARSkaters, regardless of their home club, are responsible for a share of the music playing duties on the sessions for which their skater registers. This means that if a skater is registered for 3 days a week, then the parent/guardian will be responsible for a portion of the music playing duties on each of those 3 days. Each session will be looked at individually and the music playing duties will be divided amongst the families of the skaters registered.

Schedules will be made up several times over the course of the session and will be for 2-3 months duration at a time. This will allow the Club to take into account the fact that skaters occasionally change sessions. Schedules will be e-mailed to those involved, as well as posted online at www.glencairnsc.ca and in the music binders at each of the arenas (in the Music Room upstairs at the Jack Charron and rink side at the Sensplex).

If you do not wish to play music this season, the fee for opting out is \$100, payable at registration.

Adult skaters not requiring music are exempt from playing music.

**Glen Cairn Skating Club
Skater Emergency Contact Information Form**

Dear Parents,

Glen Cairn Skating Club will have two Emergency Contact Binders. In the event that you need to be contacted when your child is on the ice, we are asking that parents/guardians complete the form below so that this information can be kept at the rinks and will be available at all times. If there are any changes, it is the responsibility of the parents/guardians to update the information by contacting Andrea Trainor at the e-mail address below.

The information will be kept in a binder with the music equipment at both the Bell Sensplex and the Jack Charron arenas.

Adding your contact information is voluntary and this information is to be used for emergencies only.

If you are interested in having your child's name included in the Emergency Contact Binder, please complete the form below. If your child will be skating at both arenas, the club will require two copies of the form.

Children under the age of 12 should have an adult in the arena at all times.

If you have any questions or comments regarding this form, please feel free to contact me.

Regards,
Andrea Trainor

2011-2012 Program Assistant Application

Please complete this form if you are interested in becoming a Program Assistant

The Glen Cairn Skating Club relies on Program Assistants to help our coaches with our CanSkate program. Program Assistants are members of our STARSkate program who are at least 12 years old. Preference will be given to skaters who have passed at least their Preliminary Freeskate test. Program Assistants will be compensated with either volunteer hours (required for high school) or with credit towards next season's ice costs. The compensation amount will be dependant upon the level and experience of the Program Assistant and will range from \$4/hr credit for new and younger PAs to \$8/hr credit for our most experienced PAs. STARSkaters younger than 12 may be used as alternates, provided they have taken the training session.

Those selected to be Program Assistants will be required to attend a training session Sept. 24, from 10am-12pm.
